**Subject:** Upcoming Priority Sites that may require Team Bfgs.  
**Date:** Thursday, October 02, 2014 3:00:37 PM

---

Over the next several months Remedial and Removal sites that are high-profile, hot-issue sites, or may require enhanced community engagement at some point include:

- GMB, e g Homestake Mining
- San Jacinto River Waste Pits
- Tar Creek
- Explo
- South /North Cavalcade
- Donna Reservoir
- United Nuclear
- U. S. Oil
- Agriculture St.
- Jackpile
- Delta Shipyard
- Sandy Beach
- SBA Shipyard
- CEN Removal

Of course, all this is based on funding levels, RA priorities, EJ priorities etc.
